Fresno Teachers Association

State Council Delegate Duties & Responsibilities

The CTA State Council is the legislative and policy-making body of our state organization. It functions much like our FTA Representative Council, only at the state level. The State Council meets four times a year. Each elected representative is assigned to one of the seventeen (17) standing committees of the council, covering many important areas including Civil Rights, Curriculum, Negotiations, Evaluation, Special Education, State Legislation, Credentials, and Retirement.

Duties of elected representatives include attending each of the four annual State Council meetings and participating in the work of assigned committees, and attending and participating in the Fresno/Madera Service Center Council meetings. Expenses for elected representatives are reimbursed by the California Teachers Association upon receipt of an expense voucher and verification of attendance at the meetings.
